Dear Brothers and Sisters in Christ,

When I was away at the Large Church Conference of the ELCA last month, our speaker, Reggie McNeal, asked us what we celebrate in our churches. He said that we, as Lutherans, should be using the priesthood of all believers to empower our laity to help usher God's kingdom into the world. He said the ripples of the church should be touching everyone.

+ So, I want to celebrate our staff, parish planning council and board members, who work tirelessly behind the scenes to make the ministry of this place happen.

+ I want to celebrate our choirs and directors who share their gifts of music to make our prayer and praise to God harmonious and glorious!

+ I want to celebrate Sunday School and VBS teachers and helpers, 5<sup>th</sup> Quarter chaperones, youth chaperones, and confirmation pilots who understand the importance of the seeds we plant in our children and youth.

+ I want to celebrate all those who volunteer to help with worship: greeters, ushers, lay assistants, acolytes, screen assistants, altar guild, bulletin stuffers, and money counters.

+ I want to celebrate those who help with the food pantry, Opportunity House meals, City Light meals, and Family Promise.

+ I want to celebrate those who help with the parade, golf tournament, 5K run, angel tree gifts, and Operation Christmas Child gifts.

+ I want to celebrate the people who work behind the scenes, some in groups and some individuals, who don't want to be named or recognized, but we truly appreciate your help!

+ I want to celebrate all who share of their time, talent and treasure. I want us to celebrate this ministry we do in Christ's name that ushers in God's kingdom, to remind people of the place we are headed together.

We will be talking more about how to celebrate all of you, as well as how to bless all of you in your service inside and outside of the church. It is incredible that we get to help you live into this life God has planned for you. So, that is where we will focus...on disciple-making, helping people live into their own skin, into the eternal life God has planned for you. See you in worship!

In Christ's Service,

*Pastor Bill*
