Greetings Trinity Youth (& their parents)

All of these events are for youth in grades 7 to 12 and their friends! As a reminder to adults who help out with youth events, we are required to have background checks on file at church for you to help transport or volunteer with Trinity's youth events. Questions? Please see Pastor Jen or Chris Kennedy.

I give you thanks, O LORD, with my whole heart. Psalm 138:1

A huge thank you to all who helped with the Jack Frost Parade! Thank you for walking, handing out gloves, carrying banners and holding balloons. The parade is a gift to our community that we could not give without the help of you. Speaking of gifts, thank you, for all the hands that packed up 300 shoeboxes for Operation Christmas Child. Your time will bring a gift to many children this Christmas.

Breakfast with St. Nick Saturday, December 9th

We can use help setting tables, clearing tables, serving coffee & tea and hosting St. Nick for the boys and girls of Trinity. If you can help out for a few hours that Saturday morning, please sign up on the youth bulletin board.

Christmas Caroling

Sunday, Dec. 3rd, 6-8pm

Fa la la la la, la la la la!

Join us at church for a quick dinner at 6pm. We will then hop on a wagon and ride around Robesonia bringing

Christmas cheer by singing loud for all to hear! When we are done singing, we will come back to the church for hot chocolate! Talk to a friend and sign up on the youth bulletin board today.

Girls and guys in grades 10-12, stay tuned for our next get together. We will most likely gather during the school break for a daytime activity. Girls Small Group will meet Dec. 10th at 6pm.

ELF themed Christmas party! Sunday, Dec. 17th, 6-8pm.

We will see how many cookies we can cram into a VCR, we will eat from the four Elf food groups: candy, candy canes, candy corn and syrup. We will swap gifts in our annual white elephant gift exchange. That means NOW is the time to look under your bed or in your closet for a ridiculous gift for the swap. Don't spend any money on this gift!
