FUNDOCY Homework: Apostles' Creed: Overview

Lesson Taught on February 13, 2022

Homework Due: February 20, 2022

A creed is a statement of faith. The word comes from the Latin credo meaning, "I believe!" It is important to know that the original Apostles of Jesus did not write the Apostles' Creed. The first time parts of this statement appeared in written form was in 215 A.D., to summarize the teachings of the Apostles. The full creed as we have it today didn't show up until 542 A.D. the creed has three parts called "articles." The First Article teaches what Christians believe about God. The Second Article covers the life, death and resurrection of Jesus. The Third Article includes the Holy Spirit, our relationship to God and each other as the church and the promise of resurrection.
