Greetings Trinity family,

On Sunday, June 25, over 60 Trinity families and friends trekked to Knoebels for worship, lunch and a wonderful afternoon at the park. How glorious and wonderful is that? You all care so much about being together as a family of faith that you will gather at an amusement park to be together for worship, lunch, laughter, fellowship and rides.

This is what I loved the most about the day: We were a diverse group. We were young and old. Our families ranged from couples to multiple generations. Some of us worship together often, and others maybe joined us for the first time. We were willing to be the church together in a different place, still knowing that God's love surrounded and embraced us all. We were able to be the church together, not just as we worshipped, but as we continued our time together in sharing a meal and greeting one another throughout the park all afternoon.

And the bonus of the day? I got to eat a pickle...on a stick! While that was pretty great, I was also able to worship with Trinity online as the 8am service was livestreamed that morning. I worshipped with people gathering in our sanctuary and my mom who joined us online from Connecticut.

Friends, on June 25 you all were the church in a beautiful, epic and holy way. You connected in the sanctuary. You connected online. You connected at Knoebels. You showed God's love to one another by showing up. You showed one another what it looks like to be the church in 2023. You were (as you continue to be) the church in many different ways.

Wow, just wow! That is way better than a pickle on a stick.

You all continue to embody the love of Christ as a church family that is willing to go beyond our walls to deepen relationships, share God's love and live as the Body of Christ in the world around us.

Thank you for this. It continues to be a joy and humble honor to serve as your pastor.

Keep being awesome.

+peace, *Pastor Jen*
