Greetings Trinity Family,

Welcome to summer! Deep breath in and deep breath out.

While the world keeps turning and our day-to-day lives continue, the summer months offer a time to slow down. Over the summer we intentionally take a break from Coffee and Conversation, Sunday School, and Dinner with activities at the Well. We shift away from some weekly activities to give our hearts, minds, and bodies a chance to rest and reset. We use some of that time for vacation. We use some of that time to reflect on this past program year (September-May). It's easier to reflect when it's not actively happening. We use some time to dream and plan for the program year that will kick off in September. The staff will look back to see how this past year has gone as well as consider what our hopes and dreams are for the coming year. We will, as always, continue with worship at 8 and 9:30 on Sunday mornings and Evening Prayer on Wednesdays at 7:00pm.

This summer we will be adjusting to the transition in the office as we celebrate Robin's retirement with the addition of Suzie and Bob on our staff. As times of transition always come with joy and some change, we ask for your prayers and your grace over the summer. We will all be learning together how this new group of awesome people works best together to serve the people of this place. We will be held in God's hands through your prayers and your presence. We are grateful for Robin's time with us, for the generosity of her time, her care for the people of this place and the many, many details she is able to share with us to keep things moving smoothly. We are grateful for the new gifts Suzie and Bob bring to our staff and to this place. We, as a congregation, are in good hands (God's hands) moving forward with new ideas, solid experience and deep care for not only the people of this place, but also the mission we do in Christ's name.

+peace,

*Pastor Jen*
